

HAVE A SAFE AND ENJOYABLE SUMMER

We encourage our residents to take a few simple steps before travelling or living in the community during the summer.

KNOW YOUR NEIGHBOURS

Get to know your neighbours and neighbourhood. By developing a healthy relationship with your neighbour provides the opportunity to help each other and the community.

PET CARE

It is entirely the responsibility of the pet owner to take care of the pets. We will encourage our Residents to report the pet fouling to the Community Security.

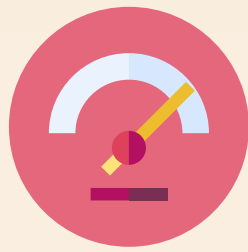

LOCK YOUR VEHICLES

Do not leave your car keys inside the vehicle, and always keep it locked. You are also advised not to keep any valuables to ensure the added safety.

VACATION VENTURES

Before leaving for a vacation or staycation, do not forget to close the doors and windows of your home and lock and switch off the appliances. If you have home security systems installed, do not forget to set the alarm.

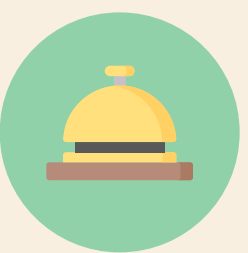

SPEED LIMITS

Watch out for the speed limits within the master community at all times and drive safely. Remember, we are all responsible.

OBSERVE FIRE PREVENTION MEASURES

Follow the community rules 'Hazardous Activities' to keep an eye out for fire risk. We strongly recommended our Residents and Tenants carry property insurance for the total replacement costs of all insurable improvements and contents in their Plot or Unit.

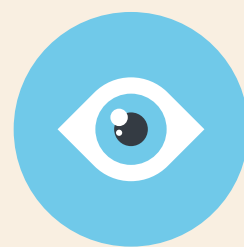

USAGE OF AMENITIES

Use the community amenities carefully and within the opening hours. Follow the community rules posted at the entry of each amenity and accompany your child if they are 14 years old or below.

CLEAN IT UP

Picking up litter and keeping greenery/landscape trimmed makes the community look better, and sends the message that our residents are diligent about keeping the neighbourhood clean and tidy.

SEE SOMETHING, SAY SOMETHING

If you notice suspicious activity, regardless of how small the incident may seem, notify community security and the police immediately.
